EDUK8 Worldwide has been a major supplier to the UK and international education sector for many years, and are now excited to be launching our new Learn and Play range, so that parents and children can also enjoy our high quality toys.

All our products are exclusive and encourage learning through play. Every toy is carefully designed and researched by us to ensure that all children's needs and requirements are met, whatever their ability level – and you can also be sure you won't find them anywhere else. The range offers not only fantastic fun but also safe, sturdy, long lasting toys that don't need a single battery!

And we are award winning too! Already featured on **BBC Breakfast TV** with our **BELLY BUMP BALLS**, we are now proud to announce that we are a winner of the British Toy and Hobby Associations, 2016 Best New Toys Award for our range of large floor mat games.

Our knowledgeable and friendly team will be pleased to help with whatever queries you have so please get in touch.
