

Ball Catcher Set Challenges

1. Can you send the ball in the air or against a wall and try to catch after a set number of bounces?
2. Can you send the ball in the air or against a wall and try to catch after no bounces?
3. How many times can you send the ball in the air or against a wall and try to catch in a set time?
4. Can you send the ball in the air and clap 'x' number of times before catching the ball?
5. Can you send the ball in the air and turn around before catching the ball?
6. Can you send the ball in the air and touch the ground before catching the ball?
7. Can you send the ball for a friend to catch?
8. Can you send the ball at different levels for a friend to catch?
9. How many times can you send and catch the ball to a friend in 30 seconds?
10. Can you play a competitive game against a friend/s in a marked area? Send the ball over a 'net' (line, markers, cones) to make it difficult for them to catch after one bounce. If they do not catch the ball after one bounce you score a point.
